

Declaration of compliance

Miraclean

 vileda[®]
PROFESSIONAL

The supplier, established in the European Community:

Freudenberg Home and Cleaning Solutions GmbH
Im Technologiepark 19
D-69469 Weinheim, Germany

declares, that the product described hereafter:

Brand Name: Vileda Professional
Product Name: Miraclean
Article Number (TSU): 102750, 113034

meets the human-ecological requirements of the Oeko-Tex[®] Standard 100, product class 1, presently established for baby articles.

The supplier is granted authorization according to Oeko-Tex[®] Standard 100 to use the Oeko-Tex[®] mark.

Additionally, we confirm, according to the information available to us, that our product mentioned above does not contain as intentionally added raw material any of the substances of very high concern (SVHC) above a limit of 0.1 % w/w according to the candidate list, article 59 (1,10) European REACH regulation (1907/2006/EC) . To the best of our knowledge, none of these materials are generated during production.

The certified product fulfills the requirements of Annex XVII of REACH (incl. the use of azo-dyes, nickel, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

Substances of Very High Concern (SVHC) are defined in Article 57 of REACH regulation (1907/2006/EC) and include hazardous substances which are e.g. mutagenic, carcinogenic or toxic-to-reproduction. All our raw materials and third party products are screened on SVHC according to the candidates list of the ECHA (European Chemicals Agency <http://echa.europa.eu/candidate-list-table>) and additionally according to internal Freudenberg regulations.

We therefore stay in contact with our suppliers and request them to keep us informed in compliance with REACH requirements. Likewise, we meet the obligations of the duty to communicate information about substances in articles. Please contact us for more detailed information.

Declaration of compliance

Miraclean
